From The youth Director

Happy thanksgiving to all the families, parents, and youth; November is exciting time when we get to rake up leaves and start really seeing the change in the of weather from fall to winter. It is also the time when we stop hang out outside and go indoors. With all the change's going on this month the youth group will be learning a new lesson's. We will be looking at the Care notes for teens that is on display under the youth bulletin board. I have looked up lessons for each topic we will be learning about. Some of the topics we will be covering are Peer Pressure, Getting back to normal after a Break up, college life, fitting in and more. Please if you have any question or concern feel free to contact me and have a Blessed and faithful November.
