THANK YOU: Thank you GLUMC for your thoughts and generosity at Christmas. I appreciate each of you! ~Edie Lane

Thank you all so very much for your thoughtfulness and generosity this Christmas season. I enjoy my job, and the time that I spend with each and every one of you. I am so blessed to be a part of the GLUMC community. ~Kelly McLeod

MISSIONS TEAM: This church family has done it AGAIN. We have filled the Ark for Heifer International, with a total of \$5,477 given to purchase the animals needed to start a new business and give families a chance to provide for themselves. A huge THANK YOU to all who have

participated in filling the Ark, including those who have designated memorial gifts to Heifer! It is amazing what we can do together.

January's mission is Wesley Foundation Kalamazoo. They have currently returned to some of their previous programs, such as Sunday night worship, Thursday night small group, and after school programs for neighboring schools, as well as being open for study and community. WF is open to all college-aged adults, reaching out to students at WMU, K College, and KVCC. We appreciate all donations to keep this fellowship going; please memo 'Wesley Foundation' on your check.

Our outreach to the mobile home park this month is a sack of groceries for a family meal. No need for you to get out in the elements - we are going to do your shopping for you. This is the easiest meal you can provide - just \$10 will buy a well-balanced meal for a family, including hamburger, pasta, bread, fresh fruit and cookies. Cash donations may be placed in the globes outside the sanctuary, if sending a check, please memo "shopping bag".
